Talent4Impact aims to build a pipeline of ESG and impact-ready talent for the marketplace by supporting more professionals with practical work experience in the industry.

Ogier is delighted to be running the second year of its Talent4Impact programme with founding impact partners [Dream Impact](#) and [Sustainable Finance Initiative](#). We are also delighted to be working alongside new industry partners in 2022 including Asia Investor Group on Climate Change ([AIGCC](#)), Social Ventures Hong Kong ([SVhk](#)) and [WWF Hong Kong](#). These partners play a key role in the programme by offering placements to Talent4Impact fellows.
