

We are sponsoring this year's ALFI conference focusing on private debt and infrastructure themes orbiting around the PE & RE core. This year's rebranding reflects the further evolution of private asset classes and their success which propels the Luxembourg fund centre as a whole.

Our Luxembourg-based Funds Partners Anne-Gaëlle Delabye and Benoît Rose, Banking & Finance Partner Daniel Richards, and Funds Managing Associate Milan Hauber will attend the event. They will be pleased to meet you at the Ogier exhibition stand if you wish to get more information about our legal services.

Ogier Global Directors Lawrie Cunningham, and Wilfried Lottin and Senior Manager of Ogier Global Sustainable Investment Consulting, Dasha Kuts, will also attend the event. Please get in touch with them if you would like to arrange a meeting with them.
