

Our partner Bertrand Gérardin, leading our Corporate team in Luxembourg, will be joining a panel of speakers at the next "RBE (Beneficial Owners Register) and RCS (Trade and Companies Register): challenges and opportunities with the Bill of law 7961. How to prepare for its implementation by the end of 2023?".

The panel will discuss the recent changes related to the mandatory filing and registration with the Trade and Company Register, including:

- new formalities imposed by the bill of law;
- structures and information that must be registered with the Trade and Companies Register;
- sanctions in the event of non-registration of data or registration of erroneous data;
- compliance with GDPR.

This event will be in French. For more information, including how to register, [click here](#).
