

Ogier is delighted to sponsor the Guernsey STEP lecture series.

Chris Hards and Diana Rodriguez will be presenting a brief overview of the pensions sector in Guernsey, aimed mainly at trust practitioners who don't deal with pensions on a day-to-day basis. They will cover the main types of occupational and personal pensions, and some of the issues to be alive to when administering pensions. They will also look at the secondary pension scheme which is due to be introduced next year, and how that might change the pensions landscape in Guernsey.
