

The Asset Recovery conference series is the leading conference series for fraud and insolvency practitioners. This US & LatAm focused event brings together leading practitioners from the arbitration, fraud and insolvency world.

Partner Marc Kish will be joining a panel of experts to discuss 'I say discovery, you say disclosure (and that's before we get to 1782 and Norwich Pharmacal)'.

If you would like to connect with Marc in New York, please get in contact via his details on the right.
