We are sponsoring the 12th Annual Global Fund Finance Association Symposium taking place in Miami, Florida, from 8-10 February, 2023. The Fund Finance Association's annual symposium brings together investors, fund managers, bankers and lawyers for education and networking within the fund finance market.

This year, our Banking and Finance partner, <u>Jad Nader</u>, will join a panel of thought leaders as a speaker.

Partners <u>Katrina Edge</u>, <u>Mark Santangeli</u>, <u>James Heinicke</u>, and Managing Associate <u>Tommy</u> <u>Tuohy</u>, also from the Banking and Finance team, will be in attendance at the event.

If you would like to connect with our team at the Symposium, please get in touch.
