

# Ogier Global Governance Solutions for Managers and Investors

Ogier's corporate and fiduciary business, Ogier Global, works with our partner-led legal teams specialising in all aspects of the structuring and governance, regulation and operation of alternative investment funds and holding vehicles.

Complemented by the Ogier Investment Funds team, we offer complete solutions for fund managers, investors and their onshore counsel, keeping up with the best practice and navigating an ever-changing regulatory landscape.

## 5 things to know about Ogier Global Governance services

### Independent director services

Ogier Global has a team of highly experienced, professional Cayman and Singapore-based directors who can serve on the board of corporate funds, general partners and on advisory board of partnerships through their developed LP advisory practice

### Registered office and meeting support services

Ogier Global offers a comprehensive range of board meeting support, secretarial and registered office services to facilitate clients implementing a corporate governance framework tailored to their needs

### Investor KYC services

For investors to meet AML requirements, it's advisable to engage professional service providers to carry out KYC procedures. Ogier Global's Investor KYC Services team has hands-on experience in this area, offering peace of mind to managers and investors alike

### Regulatory Compliance services

Our AML compliance experts can provide a tailored compliance framework and act as AML officers for fund structures. Our AEOI (FATCA / CRS) Services team supports funds in complying with their AEOI obligations, taking responsibility off the manager

### ESG

Our team supports clients on their ESG policy, governance, strategy building, regulatory compliance requirements, portfolio implementation and reporting. We provide board training on related topics and ongoing board and risk committee support services

## 5 things to know about Ogier Global

Our highly experienced and responsive team of technical experts work with some of the most highly reputed small and medium-sized fund managers across the globe

Ogier Global offers borderless corporate administration services from our international finance hubs across the globe, covering all time zones

Our team is comprised of industry-specific experts to ensure we speak our clients' language and offer unique industry insights

Our clients have access to practical legal advice on BVI, Cayman, Guernsey, Ireland, Jersey and Luxembourg law covering everything from fund setup to manager relocation

Supported by market-leading technology, our interactive client service portal, Ogier Connect, gives fund managers and investors real-time access to statutory information and documents
