

Ogier's Cayman Islands Stock Exchange (CSX) Listings Team

Ogier's CSX listings team combines the legal expertise of our top-tier, partner-led Banking and Finance and Corporate practice, and the practical experience of our listings specialists, including former offshore listing managers.

We have been a full listing agent on the CSX since it was formed and, through our listing agent Ogier Corporate Finance Limited, we have a full-service offering.

Our team is supported not just by our legal teams in the Asian, Caribbean and European timezones, but also through our significant investment in technology.

We are the only law firm to advise on BVI, Cayman, Guernsey, Jersey and Luxembourg law.

Innovative

We are committed to using technology to improve efficiency, consistency and client service

Responsive

97% of surveyed clients would reinstruct us, and 98% would recommend us to others

5 things to know about the CSX

Pragmatic - The CSX adopts a pragmatic approach to disclosure which aims to provide investors with sufficient information without imposing unnecessarily onerous demands

Responsive - The exchange turns around applications in four to six weeks from initial comments to grant of listing with competitive pricing on listing fees and ongoing annual fees

Market focused - The CSX continually evolves its product offering to reflect market trends and has comprehensive and flexible Listing Rules ensuring ease of use of the CSX for issuers

Global - The CSX applies global standards of governance and regulation and is an Affiliate Member of the International Organisation of Securities Commissions and World Federation of Exchanges

International recognition - The CSX is a "recognised stock exchange" by HMRC and other international bodies

Leading - OCFL is one of the leading listing agents in the offshore listing market and is a recognised leader in CSX listings

Full-service - Ogier offers listings services on the CSX through its Jersey and Cayman Island offices and acts as a full service listing agent/sponsor in relation to the listings of all categories

Technical - Our listings team also includes former offshore listing managers, who maintain excellent working relations with the CSX and are able to provide exceptional technical knowledge and insight to assist our clients

Ongoing - As part of our full service offering we provide an ongoing service in relation to listed issuers, providing advice and assistance in relation to the CSX Listing Rules and the ongoing compliance as to the continuing obligations of issuers

Value - Our listings team is part of our top-tier Banking and Finance and Corporate teams and offers a cost effective, efficient and responsive service
