

Ogier's Aviation and Marine services

Providing exceptional and efficient services, Ogier offers clients an integrated legal and corporate administration service across all our jurisdictions. Our global team has the expertise required to establish and govern structures for the ownership of superyachts and aircraft to provide limited liability, asset protection, confidentiality and tax efficient vehicles for private and commercial charter vessels

Ogier

5 things to know about Ogier Aviation and Marine services

Aviation and Marine services

Ogier's Aviation and Marine services complement our extensive private wealth offering, which includes estate planning, the establishment of private wealth structures, property, immigration and relocation services

Private Wealth

Our legal private wealth team advise ultra-high-net-worth clients and family offices on ownership structuring for yachts and aircraft as part of an holistic approach to their overall wealth planning. Our corporate private wealth team establish and govern family office structures and our specialist marine and aviation team provide support to the family office

Experience

With many years' experience advising on structures and complex transactions around the globe, our multi-jurisdictional approach brings together sector-leading legal, corporate administration and regulatory practices

Responsive

Responsiveness and a strong awareness of the issues affecting the sector globally underpin our client offering, which draws on the regulatory, ESG and sustainable investment expertise across our jurisdictions. Whether it's a commercial aircraft, superyacht or small vessel, our dedicated global team offers responsive, to the point advice

Independent

We are totally independent, with no links to any bank, investment or foreign exchange provider, nor do we generate income from these types of activity. We are only ever paid directly by our clients

5 key areas within our Aviation and Marine sector offering

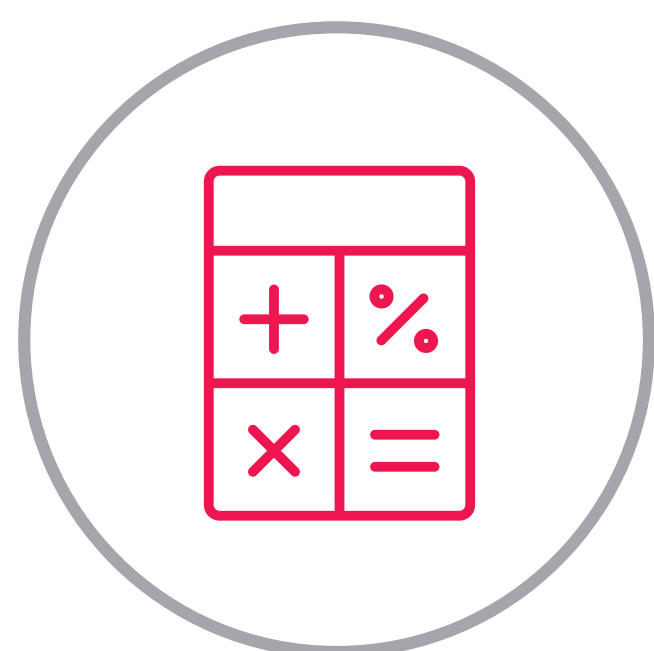

Acquisition and registration

We advise on acquisition, lease and sale of aircraft and vessels, aircraft registration, aircraft certification and security registration on the Cayman and Guernsey aircraft registries and vessel registrations in Jersey, Guernsey, Cayman, BVI and Dubai. We can advise on the most suitable registry, and arrange registration

Ownership structures

With our global footprint crossing European, Asian and Caribbean time zones, we advise on and establish yacht and aircraft ownership structures for private and commercial use including companies, trusts, limited and limited liability partnerships or other holding structures

Financing

Our team advises on all legal aspects of asset financing and leasing of yachts and aircraft. We represent both borrowers and lenders alike and work with an established network of law firms based in North America, Europe and Asia

Employment

We advise on crew employment services and related employment matters. Our specialist team can ensure that your crew contracts comply with MLC and all relevant local legislation. We also provide crew payroll and administration services

Disputes and Security

For when matters become contentious, our specialists can help you navigate disputes concerning aircraft and shipping assets. We advise on security enforcement, seizure, arrestment, freezing injunctions, restructuring and insolvency
