## Who we are

An agile business, anticipating fundamental changes in our clients' needs

We are a professional services firm with the knowledge and expertise to handle the most demanding and complex transactions and provide expert, efficient and cost effective services to all our clients.

### Legal

Our commercial understanding and experience of working with leading financial institutions, professional advisers and regulatory bodies enable us to add real value to our clients' businesses.

Ogier provides practical advice on a unique combination of six laws: BVI, Cayman, Guernsey, Irish, Jersey and Luxembourg. We have a substantive presence in Hong Kong and offices in Beijing, Shanghai, Singapore, Dubai and Tokyo. Our global network covers Asian, European and US time zones.

In a rapidly evolving marketplace legal advice needs a flexible approach. Smooth, efficient, quiet service for the daily running of businesses, with serious power and finesse at times when activities deviate from the norm. Our business model is structured to meet individual needs. We are lawyers to the world's leading financial institutions, professional advisers, regulatory bodies and high net worth individuals.

### Corporate and Fiduciary

Providing exceptional and efficient service, our Corporate, Funds, Private Wealth and Capital Markets teams offer clients integrated legal and corporate administration services with a strong reputation in governance and regulatory compliance.

Working closely with Ogier's partner-led legal teams to incorporate and administer a wide variety of vehicles, our highly experienced team of technical experts provides exceptional personal service, working collaboratively with clients to deliver responsive, commercial solutions. We have a proven track record and a strong reputation for our focus on corporate governance, regulatory compliance and data integrity.

### Consulting

Our experts provide independent guidance spanning advice and training to implementation and evaluation regulatory compliance. Our tailored advice meets clients' specific needs, delivering flexible solutions and support.

## Corporate services

Renowned for being at the forefront of developments in our jurisdictions, clients are able to leverage our knowledge in order to achieve their commercial objectives

### Our services

#### Entity formation

Ogier Global can assist clients with all aspects of their initial structure set up.

We specialise in the formation of a wide variety of corporate vehicles and trusts used for domestic and cross border transactions, IPO, mergers and acquisitions, joint ventures, restructuring and re-organisation and investment holding.

Our teams focus on providing a responsive and timely service, helping clients with the preparation and filing of their incorporation documents.

Our integrated administration and legal offering allows us to streamline the on-boarding process so that clients seeking both legal and administration services need only complete a single due diligence exercise.

#### Registered Office and Registered Agent

Ogier Global provides registered office and registered agent services to entities based in BVI, Cayman, Guernsey, Ireland, Jersey, Hong Kong, Luxembourg, Singapore and United Kingdom.

Our administrators work closely with the lawyers at Ogier to maintain up to date knowledge of the latest regulations in each jurisdiction in which we operate, to ensure ongoing statutory compliance for our clients.

#### Company secretarial

Across our network of jurisdictions, we offer clients a full suite of company secretarial services.

#### Corporate administration

We provide each client with a tailored solution which is designed to align with the specific needs of their business in the jurisdictions in which they operate. Our clients benefit from the close proximity to Ogier the law firm and its legal expertise.

#### Executive / non-executive directors

Ogier Global offers executive and non-executive director services to enhance corporate governance and strategic management for client companies. This provision supports compliance, operational efficiency, and sustainable growth by aligning governance structures with strategic objectives, leveraging Ogier Global's expertise, leadership and extensive experience with special purpose vehicles (SPVs).

### Governance services

As the need to demonstrate substance increases, our corporate clients are increasingly turning to us to deliver innovative solutions for board governance and director services.

Ogier Global offers access to a wide pool of experienced professionals including lawyers, accountants and chartered secretaries.

#### Accounting and financial reporting

Our team provides the full spectrum of accounting and reporting services to corporate entities.

#### Regulatory and compliance

Ogier Global has a dedicated team of professionals who can support entities and other financial institutions in complying with their Automatic Exchange of Information (AEOI) obligations including US FATCA and CRS.

#### EBT Trust services

We integrate our services with a range of administration, registrar and custodian/broker providers, ensuring a seamless end to end solution. We provide specialist trusteeship, nominee and administration services across all aspects of global incentives.

In addition to their legal services arm, they are also able to provide a high quality and responsive fiduciary team on the ground. IFLR 1000, 2021

## Ogier Connect

Get real-time, secure access to your documentation with our market-leading client portal

Ogier Connect is a corporate administration portal for clients, designed to offer real-time, secure access to a personal library of statutory documents, registers of ownership, board packs, invoices and more.

Ogier Connect is available to all Ogier Global clients and our market-leading encryption offers security and peace of mind.

### How to use Ogier Connect

- Navigate between legal entities, filter and search documentation
- Check your latest notifications
- Connect with your Ogier Global relationship team
- Generate real-time documents with no time lags
- Generate dynamic charts, including invoicing graphs, without the need for separate software
- Access and collaborate on board packs in a secure space
