

# Cayman Solutions for Managers and Investors

Ogier's corporate administration business, Ogier Global, works with our partner-led legal teams specializing in all aspects of the structuring and establishment, governance, regulation and operation of Cayman Islands alternative investment funds.

The Cayman Islands is among the world's leading jurisdictions for the establishment of alternative investment funds, combining a number of flexible structuring options with

sophisticated and highly experienced service providers and a robust and transparent regulatory regime which is beneficial to fund managers and investors alike.

Complemented by the Ogier Cayman Islands investment funds team, we offer a one-stop solution for fund managers, investors and their onshore counsel.

## 5 things to know about Ogier Global's Cayman solutions

### Registered Office Services

We provide registered office and registered agent services, including the provision of office and meeting room facilities, maintenance of statutory registers, preparations and filing of annual returns and economic substance reporting

### Independent Director Services

Our highly experienced, professional Cayman registered directors can serve on the board of Cayman corporate funds, general partners and on partnership advisory boards through our LP advisory practice

### Board Support Services

Ogier Global offers a comprehensive range of board support services to facilitate clients implementing a corporate governance framework tailored to their needs

### AML Officer Services

Ogier Global has a dedicated team of AML compliance experts who can provide a tailored compliance framework for Cayman fund structures

### AEOL (FATCA / CRS) Services

Our dedicated AEOL team support funds in complying with their AEOL obligations, taking responsibility off the Manager

Ogier Global offers borderless corporate administration services from our international finance hubs across the globe, covering all time zones

Our highly experienced and responsive team of technical experts work with some of the most highly reputed small and medium size fund managers across the globe

Our team is comprised of industry specific experts to ensure we speak our clients' language and offer unique industry insights

Our clients have access to practical legal advice on BVI, Cayman, Guernsey, Jersey and Luxembourg law covering everything from fund setup to manager relocation

Supported by market-leading technology, our interactive client service portal, Ogier Connect, gives fund managers and investors real time access to statutory information and documents
