

Ogier Global United Kingdom corporate services

Based from our offices in the heart of London, Ogier Global's team of experienced and qualified company secretarial and accounting professionals are on hand to assist clients with a full range of corporate and accounting services.

We work with leading financial institutions, investment managers, corporations and their advisers across a range of industry sectors including funds and investment management, energy and natural resources, real estate, telecommunications, media and technology, infrastructure and healthcare.

5 things to know about Ogier Global's UK corporate services

Formation - We can assist clients with all aspects of their initial structure set up. We specialise in the formation of a wide variety of corporate vehicles and trusts used for domestic and cross border transactions, IPO, mergers and acquisitions, joint ventures, restructuring and reorganisation and investment holding

Registered Office / Registered Agent - Across our network of jurisdictions, we offer clients a full suite of company secretarial services. With our market leading client service portal, Ogier Connect, your statutory records are accessible online 24/7

Corporate administration - We support the fulfilment of governance demands, allowing clients the space they need to concentrate on adding value for their customers. We provide each client with a tailored solution, including the provision of highly experienced UK resident directors, which is designed to align with the specific needs of their business in the jurisdictions in which they operate

Accounting and financial reporting - Our team of highly qualified and experienced accountants work hand in hand with clients to develop a solution to meet their tailored financial and tax reporting requirements and ensure clients are kept informed of regulatory and legislative changes

Regulatory and compliance - We have a dedicated team of professionals who can support clients with their regulatory obligations such as US FATCA, CRS, Register of Overseas Entities and Country by Country Reporting
