Responsive

97% of surveyed clients would reinstruct us, and 98% would recommend us to others

5 things to know about Ogier Global's Singapore corporate services

We have extensive experience in various forms of entity formation in Singapore, British Virgin Islands and Cayman Islands for fund structures as well as corporations

We have a qualified company secretarial team to assist with the administration of on-going annual compliance and statutory requirements for entities in Singapore. We also have highly experienced Singapore and Cayman directors to serve on the boards of funds and holding companies

Our clients are able to use Ogier Global's office, at the heart of Singapore's Central Business District, as their registered office address. On behalf of overseas clients, we can act as process agent to accept service of notices, proceedings or documents in Singapore, BVI and the Cayman Islands

We provide a full spectrum of corporate secretarial services which include, but are not limited to, board support services, maintenance of statutory registers/records, filing of annual returns and attending to all statutory filings with the Accounting and Corporate Regulatory Authority, Singapore

We advise and assist our clients in corporate transactional matters which include, but are not limited to, attending to statutory filings with Singapore government authorities

Ogier Global offers clients integrated legal and corporate administration services, working with Ogier's partner-led legal teams in BVI, Cayman, Guernsey, Hong Kong, Ireland, Jersey and Luxembourg to incorporate and administer a wide variety of vehicles

Our highly experienced and responsive team of technical experts focuses on providing the highest level of personal service, working collaboratively with clients and delivering commercial solutions in the most efficient way

We work with leading financial institutions, investment managers, corporations and their advisers across a range of industry sectors including funds and investment management, energy and natural resources, real estate, telecommunications, media and technology, infrastructure and healthcare

With professionals based in Asia, the Americas and Europe, we are able to provide global coverage across all time zones

Supported by market-leading technology, our interactive entity administration platform and client service portal, Ogier Connect, gives clients real time access to statutory information and documents
