

European real estate – Supporting Korean investors

Korean investment into European real estate has seen a marked increase in 2018. Ogier's international legal and corporate administration teams have assisted Korean clients with a significant proportion of this recent cross-border activity, setting itself apart as the 'go to' offshore law firm for Korean investors.

With this experience comes a comprehensive understanding of Korean investors' structuring requirements and what they expect of their appointed European advisors.

Innovative

We are committed to using technology to improve efficiency, consistency and client service

Responsive

97% of surveyed clients would reinstruct us, and 98% would recommend us to others

Recognition
