Ogier's TISE listings team combines the legal expertise of our top-tier, partner-led Banking and Finance practice, and the practical experience of our listings specialists, including former TISE technical managers.

We have been a member of the TISE since it was formed, and through our listing agent Ogier Corporate Finance Limited, we have a full-service offering covering listing and ongoing legal advice.

Our team is supported not just by our legal teams in the Asian, Caribbean and European timezones, but also through our investment in technology – in 2018 we won the international category of Legal Week's Innovation Awards.

We are the only law firm to advise on BVI, Cayman, Guernsey, Jersey and Luxembourg law.
